1. REISSUANCE AND PURPOSE

This Directive:

- 1.1. Reissues reference (a).
- 1.2. Updates policy and responsibilities for military funeral support.

2. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense, the Military Departments (including the Coast Guard when it is operating as a Military Service in the Navy by agreement with the Department of Transportation), the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the Defense Field Activities, and all other organizational entities within the Department of Defense (hereafter referred to collectively as "the DoD Components"). This policy is not applicable to Arlington National Cemetery (covered by Chapter 24 of 38 U.S.C. (reference (b))).

3. DEFINITIONS

Terms used in this Directive are defined in enclosure 2.

4. POLICY

4.1. It is DoD policy that a Military Funeral Honors ceremony shall be provided to eligible beneficiaries, upon request. Commanders at all levels must support paying a final tribute on behalf of a grateful Nation to comrades in arms, and must respond expeditiously and sensitively to requests for military funeral support. Rendering Military Funeral Honors reflects the high regard and respect accorded to Military Service and demonstrates military professionalism to the Nation and the world.

4.2. Upon request of the next of kin or authorized representative, the Military Services shall provide Military Funeral Honors to an eligible beneficiary, consisting of the ceremonial folding and presentation of the American flag and the sounding of "Taps."

4.2.1. The ceremony requires a minimum of two uniformed military persons, in addition to a bugler, if available. One of the uniformed military persons shall be a representative of the parent Service of the eligible beneficiary who shall present the flag to the next of kin or other appropriate individual. This Service Representative will be designated the Military Funeral Honors detail leader.

4.2.2. The Military Services are encouraged to provide elements of honors in addition to those listed in paragraphs 4.2. (e.g., a firing party, color guard) and use additional uniformed members or other Authorized Providers, as defined in enclosure 2, section E2.1.1. of this Directive, to augment the funeral honors detail for this purpose.

4.2.3. Further guidance on Authorized Providers is at enclosure 3.

4.3. The provision of Military Funeral Honors is designated a total force mission. Active Duty personnel, Reserve/National Guard component members, and military retirees qualified by active or Reserve component honor guard personnel may perform this mission.

4.4. Personnel selected for Military Funeral Honors details shall be appropriately trained and equipped for this duty.

4.5. Commanders shall issue travel orders, as required, authorizing personnel to perform Military Funeral Honors details. If a member is required to perform this duty before issuance of orders, availability of funds must be determined before the performance of duty and confirmatory orders shall be issued.

4.6. A bugler, either military or civilian, is preferred for the sounding of "Taps." Bugler support may be contracted or voluntary. The Military Service responsible for providing Military Funeral Honors shall ensure there is an active search for a bugler. If none is available, the Service Representative may authorize the playing of a high quality recording of "Taps" and shall ensure that it is available. In general, whereas a bugler sounds "Taps" in a prominent position, sound systems should be out of sight of the funeral party.

4.7. Coordination of Requests. The next of kin or authorized representative should request Military Funeral Honors through their funeral director, who shall be provided with a telephone directory of Regional Military Funeral Honors Coordinators. The next of kin or authorized representative, through their funeral director, should only need to make a single telephone call to request Military Funeral Honors. Upon request of the next of kin, authorized representative, or authorized funeral director, the Regional Military Funeral Honors Coordinator will arrange the provision of funeral honors for an eligible beneficiary. The parent Service of the eligible beneficiary shall assume full responsibility for the entire process – from initial contact to final report of completion. The Regional Military Funeral Honors Coordinator shall coordinate the request with the funeral director, other Military Services, and other authorized providers, as appropriate.

4.8. Members of the Ready Reserve may volunteer to participate in Military Funeral Honors details or the preparation for Military Funeral Honors as a Federal function.

4.8.1. Such duty shall be with the consent of the member who may be in a paid or unpaid status.

4.8.2. Pay, allowances, travel and transportation expense reimbursements, when appropriate, shall be paid from funds appropriated to the Department of Defense and shall be paid in accordance with the applicable provisions of 37 U.S.C. (reference (c)).

4.8.3. Pay, allowances and service credit for Ready Reserve members shall be based on the duty category in which the member is performing Military Funeral Honors and/or the preparation for such honors.

4.8.4. Military Funeral Honors and the preparation for Military Funeral Honors may be performed by members of the Ready Reserve in one of the following duty categories as described in DoD Instruction 1215.19 (reference (d)): Active duty other than for training; full-time National Guard duty other than training duty; or Funeral Honors Duty as specified in 10 U.S.C. 12503 or in 32 U.S.C. 115 (references (e) and (f)) in the case of members of the Army National Guard of the United States and the Air National Guard of the United States.

4.8.4.1. Members of the Ready Reserve performing Military Funeral Honors in Funeral Honors Duty status may receive service credit under 10 U.S.C. 12732(a)(2)(E) (reference (e)) and, if authorized by the Secretary concerned, compensation as permitted in title 37, U.S.C.

4.8.4.2. Members of the Ready Reserve performing Military Funeral Honors in Funeral Honors Duty status may be reimbursed for travel and transportation expenses incurred in conjunction with such duty as authorized in 37 U.S.C. Chapter 7 (reference (c)) if such duty is performed at a location 50 miles or more from the member's residence.

4.8.5. The Secretary concerned determines the duty category in which the preparation and the conduct of Military Funeral Honors are performed. In no case may the performance of Military Funeral Honors or the preparation be considered a period of drill or training.

4.8.6. Members of the Army National Guard and the Air National Guard may not be ordered to perform funeral honors in any duty status without the consent of the Governor of the State or territory or the Commanding General of the National Guard of the District of Columbia or other appropriate authority of the State, territory, or District of Columbia.

4.9. The Services shall deny Military Funeral Honors under the following circumstances:

4.9.1. The deceased was discharged or released from Military Service under conditions other than honorable as defined in enclosure 2, paragraph E2.1.9 of this Directive.

4.9.2. Military Funeral Honors support of any kind shall be withheld for any individual convicted of a capital offense under Federal or State law for which the person was sentenced to death or life imprisonment without parole (in accordance with 10 U.S.C. 985 (reference (e))).

4.10. The Secretary of Defense may waive all or part of the obligation to render Military Funeral Honors when the Secretary considers it necessary in order to meet the requirements of war, national emergency, contingency operation or other military requirements as described in 10 U.S.C. 1491 (reference (g)).

4.10.1. The authority to make such a waiver may not be delegated to an official of a Military Department other than the Secretary of the Military Department and may not be delegated within the Office of the Secretary of Defense to an official at a level below Under Secretary of Defense (in accordance with 10 U.S.C. 1491 (reference (g))).

4.10.2. Prior to or promptly after granting a waiver under this paragraph, the Secretary of Defense shall provide notice of this waiver to the Committees on Armed Services of the Congress.
